

Are you passionate about sport's ability to break down boundaries, change lives and enhance communities?

Are you someone that is enthusiastic, passionate and determined to bring communities together? Do you want to try something new, spend more quality time with your child or gain valuable experience within cricket? If you answered yes to any of those questions, then we want to hear from you!

This Summer, the England and Wales Cricket Board (ECB), are collaborating with several organisations in Bradford, to create volunteering opportunities within the community through All Stars Cricket. You don't need any cricket or sports coaching experience just an unshakeable can-do attitude and a desire to be part of something special!

All Stars Cricket is an 8week (1hr per week) cricket programme for children aged 5-8 years, launching on 10th May until September 2019 and we are looking for Activators to lead and deliver this family-friendly programme in a variety of clubs, schools, faith and community centres.

If you decide to be an Activator for All Stars Cricket you will receive:

- ★ Free All Stars Activator kit
- ★ Free Activator training from the ECB
- ★ Free DBS check + First Aid certificate
- ★ A chance to bring communities in Bradford together
- ★ An opportunity to develop new skills
- ★ Future experience and development opportunities within cricket
- ★ Certification upon completion of the programme

If you are 18+ and this is something that is of interest to you or you want to learn more, please contact Justin Preston on justin.preston@ecb.co.uk or call **07824 334332**
